oo Close To Call Collection

All of the patterns in the Too Close To Call collection have the luxurious appearance and feel of fine leather with added durability and inherent stain resistance. This collection includes Buckaroo, Bull's Eye, Calf Crazy, Calf A Lot, Feigned Fancy, Fowl Play, Just Kidding, Mammoth Deception and Shiny Hyde. It is manufactured in the United States and is PVC free.

The nylon content and matrix construction of the Too Close To Call Collection makes it breathable and comfortable during any season as well as puncture and tear resistant. The color is also an integral part of the material which prevents fading and color change even in the most demanding applications. These products are easy to maintain and can be cleaned with a bleach dilution of 1:10. The manufacturing process utilizes the latest technology to capture any airborne particles and recycles them in the form of heating fuel. There are no plasticizers used in the manufacturing process and no off-gassing occurs.

When choosing any of the Too Close To Call collection for a project you can be sure it will not only perform well in any condition, but it will also look beautiful throughout the duration of the installation.
